MISSION STATEMENT

As a Catholic school community, our mission is to cultivate a Christ-centered learning environment where every child is given opportunities to excel and is recognized as a child of God.

VISION STATEMENT

Our vision is for all children to be life-long learners who live out their faith with conviction, compassion, and commitment to use their God-given talents to make positive contributions to the whole world while building up the Kingdom of God.

ADMINISTRATION

Diocesan and parochial schools of the Diocese of Altoona-Johnstown are those which meet all of the following conditions:

- are recognized as Catholic by the Bishop of Altoona-Johnstown.
- are responsible to the Diocesan Director of Education for such matters as have been determined by the Bishop of Altoona-Johnstown and are subject to the Director's regulations.
- are governed by the Diocesan School Policies and Regulations.
- have written belief and mission statements which identify the school as Catholic.
- have a program of religious education which conforms to the standards determined by the Education Office of Altoona-Johnstown and the Office of Religious Education and Catechesis.
- are recognized by the Commonwealth of Pennsylvania.

ADMISSION POLICIES

In accordance with the Diocese of Altoona-Johnstown Policy 5020 Admission:

Since the formation of students in the Catholic faith heritage and its religious traditions is the primary purpose for which our Catholic schools have been founded, both parents/guardians and students must be willing to abide by the values inherent in our Catholic faith and by our philosophy of Catholic education.

All students, regardless of religious preference, enrolled in Catholic Schools in the Diocese of Altoona-Johnstown must take the prescribed religion courses in the curriculum and attend all religious service offered by the school. Religion classes are held on a daily basis. Services include, but are not limited to Liturgy of the Eucharist (Mass), Sacrament of Reconciliation, Rosary, Stations of the Cross, Penance Services, Prayer Services, Daily and Special Prayers, Adoration. Those who are not of the Catholic religion will not be expected to receive sacraments.

Students and parents/guardians who desire an educational experience founded on the Catholic philosophy of education and who fulfill the requirements and conditions for enrollment specified below, are eligible for admission to the Catholic schools in the Diocese of Altoona-Johnstown without discrimination with respect to sex, race, ethnic origin or disability, if with reasonable accommodation, they can meet the school's requirements, according to the subsequent provisions of this policy.

The request for the admission of students from a public or private school must be carefully reviewed and the reasons for the request examined.

In accordance with diocesan policy, the diocese encourages participation of all children in a kindergarten program prior to entering first grade.

Kindergarten Admission

Those seeking admission to kindergarten must be 5 years of age on or before August 31 of the year of entry.

Registration is ongoing and continues until class is full.

In Pennsylvania, kindergarten is not a required grade.

When registering a kindergarten student, the parent(s)/guardian(s) shall present proof of age and (for a Catholic child) a baptismal certificate. A Christian, non-Catholic student shall present a baptismal certificate and note the denomination when possible. Incoming students shall be given a school health examination form, which must be completed by the parent(s)/guardian(s) and the student's physician. This form should be returned to the school prior to the beginning of the school year.

Immunizations

The Pennsylvania Department of Health promulgates immunization regulations that require parents or guardians of students enrolled in grades K-12 to have their children immunized against various communicable diseases. Records will need to be given to the administrative offices of the diocesan school on or before the fifth day of class.

Probation Period for all Students

All newly enrolled students are subject to a 9 week probation period. The school reserves the right to determine that the school is not a good fit for the student and to require withdrawal of the student. In such a case, any tuition paid will be refunded.

ACADEMIC POLICIES

Student Progress

The school uses the diocesan system (PowerSchool) for reporting pupil progress. This may include progress reports and interim reports which will be based on evidence from multiple assessments which demonstrate a student's understanding of the different academic content standards, teacher observations, or similar feedback, when appropriate.

Standardized Testing is also to be utilized to track student progress. Diocesan curriculum can be found on the Diocese of Altoona-Johnstown website: www.dioceseaj.org .

Honor Roll, Parent Conferencing, and Report Card information will be in the School Section if applicable.

Grade scale:

A = 93-100

B = 85-92

C = 76-84

D = 70-75

F = Below 70

Some Schools of the diocese will use a customized standard-based report card. This will be posted in the school section.

Grade Retention/Promotion

Satisfactory completion of each grade is to be expected of every student. Absence itself, for a valid reason, is not a reason for retention of a student if the student has completed the required work.

Retention of students is appropriate where it is intended to enable a student to gain future developmental, emotional and/or educational maturity and success.

ATTENDANCE

Full day attendance is expected of all students. Information pertaining to your school attendance policy will be posted in the School Section.

COMMUNICATIONS

Open communication between home and school is important for student progress and maintaining a healthy school climate. The proper line of communication in discussing any facet of your child's progress is to first contact the teacher directly. This may be done through a

written message, e-mail or by telephone. Teachers are unavailable during class hours but will respond within two school days. If a satisfactory solution cannot be reached, the parent/guardian and/or teacher will inform the principal. If the problem remains unsolved, then the parents/guardians may have recourse to the pastor and or diocesan education office. Because of the interruptions in the teaching-learning process, spontaneous visits to the classrooms are not permitted.

Weather delays/cancellations will be announced via School Messenger, television, and radio by each individual elementary school.

CONFIDENTIALITY

Administrators, counselors, and teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake. Student progress will only be discussed with parents or legal guardian. Progress cannot be discussed with grandparents, friends, etc. without **written permission** from legal guardian.

SUPPORT SERVICES

Counseling, speech, language, occupational therapy, and other services will be provided through the local Intermediate Units.

EMERGENCY OPERATION PLAN

Diocesan Schools have each developed an Emergency Operation Plan in cooperation with state and local authorities. The plan must be approved by the Education Office of the Altoona-Johnstown Diocese. Parents/Guardians should stay tuned to local media sites for important information.

CUSTODY

Administrators, counselors and teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake.

The school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and other school-related information regarding the child. A current physical address, e-mail, and phone number must be provided by the non-custodial parent in order to obtain information.

If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order dealing with the education/visitation of the child. It is also the parent's responsibility to inform the school of the addresses where the student's records should be sent.

Divorced parents must provide the school with a court certified copy of the custody section of the divorce decree. If no such copy is on file, school officials will assume that both parents have custodial rights. Parents/guardians must provide the school with the most current court certified copy of the custody decree.

School officials will make all reasonable efforts to ensure that children are released only to the appropriate parent at the time/days according to the court custody arrangements. However, parents must accept the primary responsibility for such arrangements and should instruct their children as to which parent should have physical custody of them on any given day.

Please note: The school, its teachers, and administrators cannot become involved in adjudicating marital disputes. Parents, in such cases, should strive to keep their personal issues out of school. The school's responsibility is with the child and his/her welfare.

MANDATED REPORTING

Everyone working with your child is a mandated report. We are not permitted to contact parents if a child is interviewed by Children and Youth Services and/or police.

DISCIPLINE BEHAVIOR MANAGEMENT

Schools will try to develop the art of discovering the good in every person and show respect for one another. In other words, we...

- include everyone;
- are kind in our words and actions;
- stick up for one another;
- and support and encourage each other.

Students recite a “Peacekeeper’s Pledge” that helps to remind them what the expectations are at Diocesan Schools. “I am a _____ Catholic School Peacekeeper. I promise to be kind in my thoughts, words, and actions. By doing this, I will keep our school a safe place to be as Jesus teaches us, I will do unto others as I would have them do unto me.”

In accordance with the teaching of the Catholic Church, we strive for discipline to have an air of forgiveness and understanding as we are trying to develop thoughtful, caring, and loving individuals. This means we intend our discipline to be caring, fair, consistent, and understanding in the resolution of a situation.

When a child makes a poor choice, teachers will talk to the child and decide what action, if any, is to take place. Depending on the severity and/or frequency of the behavior, the teacher will inform the parents/guardians and/or principal to discuss an appropriate action. Ways to handle poor choices can include (but are not limited to) reflection, discussion, writing, temporary isolation (time-out), loss of privileges, etc.

For certain situations, the school pastor will also be included in the disciplinary action.

General Overview

A variety of behavior management techniques, strategies, and procedures will be used to the extent necessary to ensure that the learning environment provided is not disrupted by inappropriate student behavior. Corporal punishment and verbal abuse are not permitted.

Authority of the Administration, Faculty, and Staff

Every teacher, staff member, and administrator has the right to exercise authority as to the conduct and behavior of students in the school during the time they are in attendance.

Classroom-based Expectations and Management

The following chart illustrates categories of student misbehavior/misconduct and the potential consequences of stated action.

CONSEQUENCE LEVELS

	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
Examples	<i>Not following classroom / cafeteria / playground rules; dress code violation; horseplay; off task behaviors; running in hallway; name calling; disruptive; talking when others are talking, no cell phones or unauthorized technology devices, no gum</i>	<i>Bus disturbance; lying/cheating; spitting; noncompliance; profanity/vulgarity, forged note/paper</i>	<i>Fighting/physical aggression; harassment/bullying; throwing dangerous objects; property damage/vandalism; reference in conversation, writing or pictures to weapons or acts of violence; internet/technology misuse / cyberbullying; stealing; skipping class</i>	<i>Possession of alcohol/drugs; weapon use / possession; intentional and severe physical harm to another; insubordination, leaving campus</i>

				expulsion -Possible probation -Refer to SAP Training
2nd Offense	-1:1 private discussion with teacher; -Written reflection (signed by parent) -Written warning	-Parent Contact	-After School Detention; -Potential meeting with Pastor and Parent, referral to counselor	
3rd Offense	-Parent Contact	- Detention/Reflection Time	- Parent called and asked to come to school for immediate suspension - Discussion about appropriate placement, potential expulsion -Possible probation -Refer to SAP Training.	
4th Offense	-Detention/Reflection Time	- After School Detention; - Potential meeting with Pastor and Parent, referral to counselor		

This chart is not considered a complete or exhaustive list of infractions, but serves to give illustrative examples and their categorization. Since every situation has context and nuance, the administration has the final say as to the category to which a student's specific behavior belongs, as well as the consequences thereof,

Detention/Reflection Time will take place at a designated time and space in the school at the discretion of the administration. The supervising administrator will give the student a task to reflect on his/her actions to be completed during his/her time. Students will not be allowed to do homework or other school-related activities. If detention takes place after school, the student's parent/guardian is responsible for transportation home.

In-school suspension will take place on a date at the discretion of the administration. The student will report to school as usual but will be excluded from classroom participation for the entirety of the school day. He/she will be and given appropriate assignments (School work and tasks to reflect on his/her actions). The student is ineligible to participate in any extracurricular activities (e.g. athletic competitions, band performances, etc.) on the day of the suspension.

In rare cases, out-of-school suspension will be considered. Out-of-school suspension will take place on a date at the discretion of the administration. On the day of the suspension, the student is not to report to school and is excluded from all school activities. The student is ineligible to participate in any extracurricular activities (e.g. athletic competitions, band performances, etc.) on the day of the suspension. The student is required to make-up missed work.

In extreme cases, expulsion is considered. This will only be done with administrative and pastoral counsel. Expulsion is a permanent status and goes into effect at the time of parental notification. Parents/guardians are responsible for making all necessary arrangements for their child to attend another school, per Pennsylvania law.

*Extracurricular activities (e.g. athletic competitions, band performances, etc.) are not considered an excuse to postpone or cancel any consequence.

Parent/Guardian Notification

Depending on the severity of the infraction, if a student commits an infraction, the teacher/administrator may contact the parents/guardians about the situation and meet with the student (and parents/guardians, if applicable) to discuss the consequences. A pattern of continuous infractions will result in a Parent/Guardian Conference.

If a student commits an infraction while riding district-provided transportation (school bus/van), the driver will fill out a referral form and give it to the school office. The administration is responsible for contacting the parents/guardians about the incident and taking any disciplinary action with the student.

Student Consequences of Misbehavior/Misconduct

Each school will maintain a Conduct Record on each student. Each Diocesan Catholic School teacher and/or designated learning support expert maintains his/her own classroom behavior expectations and management procedures. These expectations and procedures are discussed with the students during the first week of classes. Written outlines of classroom expectations and procedures are available upon request. If at any time a student is unwilling or unable to meet the expectations of classroom behavior, he/she may be referred to the administration. Student Conduct Records will be maintained in the school administration office.

FIELD TRIPS

A standard permission form must be signed and returned to the school prior to the scheduled field trip for the student to participate in the trip.

A student who fails to submit a standard permission form prior to the trip will not be permitted to participate. Only the STANDARD PERMISSION FORMS obtained from the school office/published online are acceptable. Notes from parents or legal guardians giving permission are not acceptable.

Field trips must be educational and must be approved by the principal in consultation with Diocesan Education Office

Field trips are a privilege. No student has an absolute right to a field trip. A student may be denied participation if he/she demonstrates inappropriate behavior, or does not meet academic standards including grades, class assignments, and homework. Parents/Guardians have the right to refuse their child's participation in a field trip. However, the child must report to school the day of the field trip or be marked absent.

Participation in field trips is restricted to those students in the class for which the trip is scheduled. Siblings or other children are not permitted to attend field trips. All designated Chaperones are required to have completed the diocesan youth protection requirements.

EXTRA-CURRICULARS

Every Student who does participate in a field trip/school sponsored extra-curricular activity is expected to obey all discipline codes as outlined in this handbook.

Students who participate in an extra-curricular activity should behave as if they are representing their Catholic School and should behave accordingly.

Attendance at school is required to participate in school sponsored extra-curricular activities scheduled that day or evening. The Student must be in school for at least half a day to

participate. Exceptions may be considered but building principal must be consulted in advance.

MEDICATIONS

A policy implemented by the Pennsylvania Department of Health, regulates the administration of prescription and over the counter medication (OTC) to students throughout the school day. The directives are as follows:

1. **No one except a licensed professional** can dispense prescription or over the counter (OTC) medication in a school. **The office personnel will not dispense Ibuprofen, Acetaminophen, Tums, cough drops, or prescription medications.**
2. In the absence of a licensed professional, neither the secretary nor the principal can administer OTC meds or those prescribed by a doctor **UNLESS** it is an emergency Medication (**epinephrine or asthma inhaler**).

A **doctor's order** must accompany **prescription or OTC** medications to be dispensed only by a licensed professional (school nurse). Again, even with a doctor's order, **office personnel are NOT PERMITTED** to dispense any prescription or OTC medications.

For example, if cough medicine is brought to school it cannot be given unless the doctor has signed an order to be administered during school hours and **ONLY IF THE NURSE IS PRESENT** to dispense the ordered dosage.

3. In the event your child is on a maintenance medication, for example Insulin, arrangements can be made with our district school nurse to administer the medication on the contingency that a doctor's order has been issued and is on file with our office.
4. All medications must be delivered to the office by an adult. Students may not transport medications.

Parents/Guardians are permitted to administer their child's prescription and OTC meds during school hours. When your child is ill and unable to finish out the school day, you will be notified so that you can make a decision on what you think would be the best plan of action for you.

PARENT/GUARDIAN COOPERATION

The education of a student is a partnership between the parent(s)/guardian(s) and the school. Just as the parent/guardian has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

Parental/Guardian Rights

- to have your children's safety be a priority;
- to have your children receive an authentic, Catholic education in a Catholic environment;
- to have your child's learning needs met if the program can reasonably accommodate them;
- to have your children taught by competent teachers who respect and care for them;
- to talk with personnel and to have requests for meetings answered in a timely manner;
- to have your children "try out" for all program activities and teams;
- to review records and respond;
- to participate in the life of the school and parish.

Parental/Guardian Responsibilities

- to be a partner with the school in the education and formation of your children;
- to understand and support the Catholic identity of the school; to read all communications from the school and to request clarification when necessary;
- to know your children's teachers and to observe parent-teacher conference dates and any special requests for meetings;

- to discuss concerns and problems with the person(s) most directly involved before contacting other authorities;
- to be as actively involved as you can be in the life of the school and to volunteer assistance when possible;
- to promote our parish(es) and school and to speak well of them to others;
- to know and support school rules; and
- to appreciate that Catholic education/formation is a privilege that many persons do not have.

--adapted from Volunteers in Catholic Education: An Administrator's Guide to Legal Considerations (2nd ed.) by Mary Angela Shaughnessy, SCN (NCEA, 2007.)

Family Responsibilities in Cooperation with School

Parents/Guardians must be the first to foster a loving and discipline d atmosphere at home. The school provides a setting for learning, but can only operate effectively with the cooperation of the family. To achieve a harmonious relationship parents/guardians are expected to:

- Provide for the spiritual, physical and mental development and well-being of the child.
 - Be supportive toward the school and education in word and deeds and in social media outlets.
 - Help the child develop into a positive, productive member of society and the church, taking seriously their baptismal promises to fulfill the spiritual upbringing of their children including regular mass attendance.
 - Cooperate with and respect school policies and school personnel both in word and deed and in social media outlets.
 - Be responsible for any financial obligations incurred by the child in school.
 - Know and adhere to school philosophy and policy.
-

The Family Educational Rights and Privacy Act gives parents/guardians the right to inspect their child's educational records, and to have a school official explain the records if requested. Any parent/guardian who wishes to see his/her child's records should contact the school principal for an appointment

Parent/Guardian Service Requirements

If the Diocesan School requires service and/or fundraising, details are provided in the individual school section.

Retreats and Service Program

If the Diocesan School offers retreat and service programs, details are provided in the individual school section.

TECHNOLOGY & INTERNET

The Diocese of Altoona-Johnstown issues an Internet Usage Policy and a Remote Instruction Policy that requires a parent/guardian and student signature of agreement. Schools also issue a Hardware Use Policy that details the use of devices, acceptable behaviors and financial responsibilities should devices be lost or damaged. The full policy can be found in the Appendix

PERSONAL PROPERTY

The school is not responsible for any personal property brought into the school by the student including electronic devices.

CELL PHONES AND PERSONAL ELECTRONIC DEVICES

Cell phones, smartwatches, and other personal electronic devices **are not** to be used during school hours. If used, the device will be taken by the student to the administrative office and can be picked up at the end of the day. The location of the device pick up will be determined by each school.

USE OF SCHOOL GROUNDS

Schools are responsible for students only during posted school hours. Hours should be posted in the Individual School Section. Children are not to be on school grounds unattended at any other times.

AMENDMENTS TO HANDBOOK

The school reserves the right to amend this handbook. Parents/Guardians will be given prompt notice of any amendments.

Prior to the first day of school, parents/guardians must sign and return this agreement either in person or submit electronically:

In consideration of _____ School's provision of a Catholic education for my/our children, I/we, _____ the parent(s)/guardian(s) of _____, have read and agree to be governed by this handbook and to pay all required tuition and fees.

Student Use of the Internet in School

The Diocese of Altoona-Johnstown (DAJ) is fortunate to have a connection to the Internet to supplement the other educational resources already available to staff and students. Through the Internet, your child will have the entire world at his or her fingertips and be able to explore it.

This wonderful resource brings with it additional responsibility. As Internet users, we must be aware of the many issues that surround the Internet. There are many valuable resources available on the Internet that may not be found elsewhere. There are also many sites that can be considered inappropriate for students and serve no educational value. It is the responsibility of all users, staff and students alike, to ensure that, at all times while in a Diocesan School, the Internet is being used only for educational purposes. When using the Internet, students will be supervised by Diocesan School Staff. However, due to the nature of the Internet and evolving technology, even with supervision, students may get to an inappropriate site. It is the student's responsibility to report any inappropriate site to the teacher and return to the educational topic assigned.

As part of our internet safety policy, schools will educate minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response. This is required by the Protecting Children in the 21st Century Act.

The following Acceptable Use Policy (AUP) should be read carefully and understood by all Internet users. As parents/guardians, you should review it in detail with your children before they begin using the Internet in their school. The Acceptable Use Policy was developed to ensure the safety of all users.

The DAJ uses a filtering system designed to prevent access to educationally inappropriate sites. However, it is important to understand that no solution is perfect, and we cannot guarantee that students will not have access to inappropriate sites.

Parents should be aware that DAJ educators can request that a specific site be blocked or un-blocked. Such decisions will be made by those responsible for monitoring the filtering service within the DAJ.

It is important that you and your children understand that any violation of the AUP may result in the loss of Internet and e-mail privileges or other disciplinary action. We ask that you work with your children in reinforcing the behaviors associated with the AUP and the attached student contract. Please also note that our filtering system allows us to track and monitor all computer use on the network.

Acceptable Use Policy for Networks, Including the Internet

It is the policy of the Diocese of Altoona-Johnstown that all technology used to access the network will be used in a responsible, legal, and ethical manner. Failure to do so will result in the termination of network and e-mail privileges for the user.

Individual users of the network—students and adults—are responsible for their use of the network. The use of the network must be in support of education and research and must be consistent with academic actions of the Diocese of Altoona-Johnstown School System and will be under the supervision of Diocesan Staff. Use of other organizations' networks or computing resources must comply with the rules appropriate for that network. Use of the network for any illegal or commercial activities is prohibited.

- ❖ A responsible network user will:
- ❖ Use language that is considered appropriate.
- ❖ Be polite.
- ❖ Send information that other users will not find offensive.
- ❖ Conform with copyright laws and always give credit to the author of the material used.
- ❖ Never reveal personal information about any user such as address, telephone number, credit card numbers, social security number, etc.
- ❖ Neither tamper with the system nor alter, delete or destroy any files or data that are not yours.

A responsible network user must be aware that:

- ❖ Use of the network and e-mail is a PRIVILEGE, not a RIGHT.
- ❖ The DAJ network is to be used only for educational purposes.
- ❖ E-mail is not guaranteed to be private.
- ❖ Identifying photos of students with their first and last names may not be used on a web site.
- ❖ It is important to log off the computer at the end of every session, so another user cannot use your password.
- ❖ Violation of this policy will result in the possible loss of Internet privileges and/or disciplinary action pursuant to the Code of Ethics for Catholic Schools and/or prosecution under state and federal law.
- ❖ Persons issued an account are responsible for its use at all times.

Acceptable Use Policy for Networks, Including the Internet
Student and Parent/Guardian Signature Page

It is the policy of the Diocese of Altoona-Johnstown School System that students and staff will use all technology to access electronic (“computer”) networks, including the Internet and email, in a responsible, legal, and ethical manner. Failure to do so may result in the loss of network privileges for the user, disciplinary action under the Code of Ethics for Catholic Schools, or prosecution under federal or state law.

I have read and understand the Acceptable Use Policy for Diocesan Schools Internet use (Attachment 1). I understand that use of the Internet and e-mail in school is a privilege, not a right. Use of the Internet in school is designed strictly for educational purposes. I also understand that the DAJ is taking measures so that my child does not have access to any material deemed inappropriate, but because no filtering system is perfect, my child might gain access to an inappropriate site. I agree that I will not hold the DAJ responsible for any access by my child of any inappropriate materials acquired on the Internet.

By signing below, I give my child permission to work on the Internet and use e-mail for educational purposes.

By not signing, I understand that my child will not be permitted to work on the Internet and use e-mail in school.

Guidelines for Use of Photographic

Images of Children and Youth

The following guidelines will be adhered to and authorization form obtained when required, for use of photographic images of children and youth by diocesan Departments, Parishes, Schools, and Agencies.

For children/youth under 13 years of age:

Parent permission (release form) **Must** be obtained for any photographic images of children **under 13 years of age** that are used for publicity, brochures, newsletter, web sites, etc.

For children/youth between 13 and 18 years of age

If photographic imagers being used are covering “news” or a specific event, the use of identifiable photographic images is allowed. Examples of this would include sports games/championships, Boy or Girl Scout Jamborees, award services, Youth Ministry Rallies/events, etc.

If identifiable photographic images are being used as a marketing or development item, permission (release form) must be obtained from the parents to use an identifiable picture. Examples of this would be flyers, brochures, web sites, etc., that would be advertising services, schools, programs, etc. In other words, if the project is “planned,” the youth are being used as “models” and the Photographic images are identifiable, then permission (release form) is needed.

If photographic images on a web site are merely to enhance it and are not being used to report news or specific events, then permission (release form) is needed to use identifiable photographic images.

Parental permission (release form) is needed to include any type of video (VHS or streaming) which shows children in a classroom doing “work” or answering questions – this video is considered an “educational record” and cannot be included without permission of parents.

The safest photographic images to use of youth over 13 for enhancement/marketing are “unidentifiable” photographic images – photographic images taken at a distance, from the side, from the “top”, large group activities, etc.

NOTE: Duplicate this letter on Parish, Diocesan Office Department, or School Letterhead

Authorization Form

For Use of Child/Youth Name, Likeness, and/or Photographic Image

This authorization form shall serve as parental permission for the use of name, likeness, and/or photographic image of a child/youth where such permission is required.

I grant permission to

(Diocesan Office, Department, Parish, School)

to use my child's/youth's name, likeness, and/or photographic image in the production of following:

(Above portion must be completed – DO NOT sign if blank.)

I understand that if, for whatever reason, at any point in time, I decide to revoke this agreement, and I so notify the Diocesan Office, Department, Parish, or School in writing, all references to my child/youth (i.e., name, likeness, and/to photographic image) will no longer be used. I understand that web page references and web page photographic images will be removed within thirty (30) days of the written notification. ADMISSIONS

St. Patrick School welcomes students of any sex, race or ethnic origin. It does not discriminate based on sex, race or ethnic origin in administration of educational policies, admission policies, tuition assistance, athletics, and other school-administered programs, or in hiring personnel. Students are accepted from three years of age and older. Our school day begins at 8:45 a.m. Dismissal is at 3:15 p.m. Students arriving during or after prayers will be marked “tardy” as per state regulations. Business hours are 8:00 a.m. – 4:00 p.m. Preschool students must be 3 years of age on or before September 1. All students must also be out of diapers or pull-ups and be able to perform all personal care routines independently including full potty-training. When registering for school, birth certificate, baptismal certificate (when applicable), and current immunization records must be presented. Since the preschool programs act as a feeder into the elementary program, students who are already in the St. Patrick Preschool programs will receive priority when registering. Siblings of current St. Patrick students will have first choice of placement. Admission of a student to any class or campus is dependent upon space availability.

LUNCH ACCOUNTS

St. Patrick School offers a catered lunch program. Lunch menus are distributed monthly, and applications for free and reduced lunches are available through the school office. All lunches are to be pre-paid by sending a check or cash in an envelope to the office. Students who have a negative lunch account balance of more than \$30.00 will not be eligible to purchase the main entrée, but will receive a peanut butter and jelly sandwich with sides. Students whose lunch accounts are negative \$45 or more, are not eligible to purchase lunch and parents will be notified to bring a packed lunch.

BEFORE SCHOOL/AFTER SCHOOL CARE

Before and after school care is available for families who are not able to drop-off or pick up students at the designated arrival and dismissal times. Before school care begins at 7:00am and after school care ends at 5:00pm. A fee of \$4.00/hour, charged on the quarter hour, is applicable and will be billed monthly. If parents are late picking up, a late charge of \$1.00/minute will be accrued. This service is **not** to be used for students to stay after school to play. We ask that you pre-register your child by notifying the office in writing. Parents who do not need this service daily can still utilize before or after school care. Please send written notice or call the office to notify us of the change. Families who are 30 days past due will not be permitted to use this service until account balances are current. In the event of a 2-hour delay, before school care will begin at 9:00am.

ATTENDANCE AND PUNCTUALITY

The State of Pennsylvania mandates 180 days of instruction and the successful completion of course requirements in order to grant grade advancement. Regular attendance and punctuality are essential to a student's progress and to the formation of good habits. If your child arrives in the classroom after 8:50 am, he/she will be marked tardy. Parents are requested to call the school office between 8:00-9:00 a.m. if your child is going to be absent that day. Please contact the school no later than 10:30 a.m., if you request homework Assignments may be picked up between 3:00-4:00pm. Students who are absent more than 18 school days will be referred to their home school district and may be retained.

Pennsylvania School Law requires a written, dated, and signed excuse on the day a student returns from an absence. If this does not occur within THREE days of the absence, it will be recorded as unexcused. After three accumulated unexcused absences from school, the matter will be referred to the principal.

Students absent for more than three consecutive days are required to submit a physician's excuse upon their return to school. Failure to do so will result in those days being recorded as unexcused and the matter will be referred to the principal.

A letter of notification will be sent to parents/guardians of all students who have accumulated ten (10) days of absences, excused or unexcused. A physician's excuse will need to be submitted for each subsequent absence. Failure to submit a physician's excuse after ten days of absence will result in those days being recorded as unexcused and the matter will be referred to the principal.

Parents are asked to call the school no later than 9:00am to report that a child will be absent that day. A message may be left by voicemail. Calls or texts to the teachers will not be accepted as a report of absence. For an extended illness, please call each day your child is absent from school unless you have already informed us of an extended illness. Students may return to school when they are 24 hours fever free without medication.

- *Make-up work*

Students are expected to make-up work for all absences. All previously assigned work must be turned in the day a student returns to school. This includes tests that were announced before the absence occurred. Students are given 3 days to complete assignments for each day absent. Any missed tests or quizzes may only be made up by coordinating a time either before or after school with your child's teacher.

- *Truancy/Unexcused Absences*

Truancy is an UNEXCUSED ABSENCE from school or class. A student is truant if he/she leaves school without signing out in the Main Office, does not report to classes, or is absent from school or class without a lawful excuse. Work missed during an unexcused absence may not be made up. Truancy issues will be documented and reported to the student's home school district.

- *Family vacations*

Family vacations are not encouraged during the school year unless there is no alternative. If it is known that a child will be absent from school for a period that extends three school days or longer, the parents must complete and submit a vacation request form and turn in written notification to the teacher at least one week in advance of the anticipated absence. It is the child's responsibility to obtain homework assignments, complete the work for the period of absence and submit all assigned work on the first

day of their return to school. Work that is not submitted immediately upon return will not be accepted and will result in a zero. Any tests that were missed will be made up within 3 days, either before or after school at the convenience of the teacher.

- Tardiness

Students who arrive after 8:50am will be considered tardy. Parents must sign their child in at the office if arriving late. Tardiness issues will be addressed by the principal.

- Bell Schedule

BOOKS

Students are responsible for the care of all textbooks and library books. All hard-backed books must be covered. Book socks or St. Patrick book covers are available free of charge at the school, or you can purchase book socks for use. Students are to have all papers and books in a book bag before leaving school. Any damaged or lost texts or library books must be paid for at the replacement cost. Teachers will be tracking all classroom texts; the library tracks all library books.

ARRIVAL/DISMISSAL

The safety of our children is most important at St. Patrick. Please note the following:

- Building access is limited. The main entrance, located in the back of the school building, will be used for both arrival and dismissal.
- All parents must use the drop-off and pick-up line.
- Parents/guardians will not be permitted to enter the building with their child/children, nor will they walk to the classroom with their child. If the parent has office business, s/he should report directly to the office.

Morning Drop Off

Parents are to enter the parking lot at a slow speed and drive around so the passenger door is closest to the building. If you need to assist your child out of the car, please do so quickly. Our goal is to keep vehicles moving while maintaining safety for our students. A staff member will be at the door to greet your child. Please note that buses have the right of way at this time. You must yield to the buses. Students should arrive to the school no later than 8:50am at which time the door will be closed and locked. If you arrive later than 8:50am, you will need to come into the office and sign your child in and h/she will be marked *tardy*.

Afternoon Pick-Up

*Pre-K and Kindergarten students who do not ride a bus, have older siblings, or are in after school care are dismissed at 3:00pm. Parents/guardians are to line up in their cars

with the passenger side closest to the building, beginning at the door. Teachers will escort your child to the car. Teachers are not permitted to fasten children into car/booster seats.

All other parents should line up on the far end of the parking lot under the basketball hoops and wait for the younger students to be dismissed. At that time, parents may proceed to the door to wait for your child to be dismissed at 3:15pm by the faculty. Please note that buses have the right of way and the bus riders will be dismissed upon arrival of their bus.

All parents must remain in their cars while waiting for your child. If you need to access the school, please park in the last row of parking spaces and wait until all students are dismissed to enter the building.

If there is any change in a student's routine regarding pick-up, parents must provide a written note or call the office no later than 2:30pm. This dismissal policy is strictly held. If the student does not have a note or a phone call was not received, s/he will not be allowed a change in transportation. The school **will not** honor a student's oral instruction. Your child will be placed on the bus if a note or phone call is not received. Please refrain from calling the school after 2:30pm for transportation changes, unless it is an emergency.

Vacation

Family vacations are not encouraged during the school year unless there is no alternative. If it is known that a child will be absent from school for vacation, parents must complete and submit a vacation request form and turn in written notification to the teacher/s at least one week in advance of the anticipated absence. It is the child's responsibility to obtain homework assignments, complete the work for the period of absence and submit all assigned work the day of return to school.

Weather Delays and Cancellations

In the event of inclement weather, St. Patrick School will follow Hollidaysburg School District's decision. Parents will receive a recorded School Messenger phone announcement as well as an alert through Parent Square. These are the first lines of communication. The school will also utilize the St. Patrick School Facebook page to

post announcements. In addition, WTAJ-TV and WJAC-TV will run delays or cancellations. If a child is bused to school by a district that has cancelled classes yet we are not cancelled, buses will not be available for those St. Patrick students either in the morning or in the afternoon. Parents are welcome to transport children to and from school on these days, weather permitting.

BUS TRANSPORTATION

Bus transportation provided to students in grades K-8 is a **privilege**. Failure to obey rules, exhibiting lack of respect for the driver, or endangerment of passengers is grounds for suspension of riding privileges. The driver has the authority to issue conduct slips for improper behavior on the bus. Drivers have legal responsibility and authority for supervision of riders. They may withhold bus privileges from children who do not abide by bus rules. The school will follow-up with proper consequences for students who disregard expectations. It is up to the students, faculty and parents to work together to build a reputation of good behavior. Students may not deviate from this daily routine of transportation without written or verbal notification from a parent/guardian.

In the unlikely event of a school bus accident, parents will be notified via school personnel through Parent Square. In that event, parents should not rush to the scene of the accident, rather await information or call the school for details about the current situation. They will receive information regarding where the children are to be taken for treatment if needed or when they will be transported to a pick-up location and where that location will be.

CAFETERIA

Catered lunch is available for students to purchase. The cost of individual lunch will be announced yearly. Applications for free and reduced meals are provided through the school office. All students are expected to bring nourishing lunches to school when they do not participate in the provided catered lunch program. Students are not permitted to bring soda and should refrain from sugary fruit drinks. Water, low sugar or 100% fruit juice drinks are recommended.

Students are expected to observe table manners and proper etiquette in the cafeteria, just as they would at home or in a restaurant. Students are also encouraged to assist in keeping their eating area clean after lunch. Students who fail to adhere to rules will be removed from the lunch tables.

COMMUNICATION

Family folders will be sent home every Thursday. These folders include a weekly letter from the principal outlining upcoming events, meetings, schedule changes etc. It is essential that you look over everything that is included and return the folder on Friday.

Our platform for daily communication is Parent Square. Parents will receive important posts and messages through this app. You will also be able to communicate with faculty and staff via text message. Please note that teachers are not permitted to share personal phone numbers with students and parents and all correspondence is to be done through Parent Square. Teachers are not available to respond to messages during the school day as they are teaching. If you have a message that needs immediate attention, you must call the school office. We will not be held responsible for missed information that was sent directly to a teacher during instructional hours.

Students are not permitted to use personal cell phones or the office telephone without a legitimate reason. Forgotten items (homework, lunch, etc.) do not constitute a serious reason. St. Patrick School would like to develop a sense of responsibility among all students. Parents may email the teachers at their school email address (first initial last name@stpatsnewry.org) or send a message via Parent Square. When a parent has a question or concern, the protocol to follow is:

1. Contact the child's teacher.
2. Contact the office/principal.
3. Request a conference with either or both.
4. Meet with the guidance counselor if appropriate.

Please refrain from gossip or negative talk. Go straight to the source for correct

information.

CONFERENCES

Parent/teacher conferences will be held in November. Request forms will be sent home at least 2 weeks prior to conferences and will be scheduled by the office. Students are not required to attend; however, teachers may request that s/he be present. Conferences with the principal are always welcome. Optional spring conferences may be offered.

CURRICULUM

St. Patrick School follows the recommended curriculum of the Altoona-Johnstown Diocese in all subject areas regarding content and time allotments. Preschool through Grade 4 are self-contained; Graded 5-8 are semi-departmentalized.

DETENTION

Detention may be assigned to students in grades 3 through 8. A form will be sent home stating the reason, day, and time of the detention. A parent or guardian must sign this form and indicate the means of transportation the student will use following detention.

EITC SCHOLARSHIP

In order to be considered for scholarship, all families, regardless of income, must enroll in Simple Tuition Solutions (STS),

Eligible students need not be of the Catholic faith to receive scholarships. The EITC Scholarship Fund receives financial support from interested individual and corporate donors who are committed to making a positive impact in the lives of worthy young students in the region. Please consider how a tax-deductible gift can help make the schools in the diocese an option for more and more interested families. These funds will make a quality, faith-based education a more affordable choice for years to come. A large percentage of contributions comes from businesses and corporations that make gifts through the Educational Improvement Tax Credit (EITC) and Pre-Kindergarten Tax Credit (PKTC) programs coordinated by the Pennsylvania Department of Economic

Development. However, gifts from individuals and families also play an important role in providing grants.

If you are interested or know someone who may be interested, please contact the office for more information.

GUIDANCE

Appalachia IU08 provides a guidance counselor through the IU8 non-public programs. Students need to inform the office, their teacher or the guidance counselor of their desire to meet individually with the counselor. The guidance counselor also provides developmental guidance with the whole class on a biweekly basis.

HOMEWORK PRACTICE

Homework is essential for the full scholastic development of the child. Children are expected to do a reasonable amount of home study, and it is the responsibility of the parent to supervise this work. Homework may consist of written work, reading, study for review, memorization, or work on special projects. Parents are encouraged to set aside a period of time for study every day, even when written homework is not assigned. Failure to complete homework hinders learning as the review of material is necessary for mastery; therefore, if homework is not completed, it will detrimentally reflect in your child's progress report. St. Patrick School expects and requires every student to be aware of his/her personal responsibility for ensuring and maintaining complete integrity in all academic work. Cheating, plagiarism, forgery, and other forms of academic dishonesty are serious offenses, subject to prompt action by the administration.

HONOR ROLL

Students in grades 2-6 may qualify for academic honors at the end of each marking period. The following are the guidelines for honor roll:

High Honor (All A's) 93% and higher in all subjects. Acceptable conduct/performance in all subjects is also required.

Honor (All A's and B's) 85 - 92% and/or 93 – 100% in all. Acceptable conduct/performance in all subjects is also required.

LIBRARY

All students are permitted and encouraged to borrow books from the library, subject to established library rules. Students will pay the cost for replacement of any lost or

damaged book. We are fortunate to have volunteers to assist students in selecting books. New volunteers are welcome!

LUNCH ACCOUNTS

Lunches are to be pre-paid by a separate check or cash in an envelope marked “Lunch”. All payments will be applied to your student’s lunch account. Lunch account balances can be found on Power School. Students whose account is negative \$15.00 will not receive the main entrée for the day but will receive a peanut butter and jelly sandwich with the side dishes. Students whose accounts are negative \$30.00 or more will not be served lunch and will need to pack until the account is brought current.

LOCKERS

Students in grades 5-8 will be assigned a locker. Students are responsible for the proper care of the lockers. Lockers are available for the express purpose of housing books, jackets and book bags. Due to the size of the lockers, wheeled book bags are not permitted. The only things to be placed in the locker are books, jackets, sweaters, book bags, and lunches. For safety reasons, students may not climb in or on the lockers. Decorations may not be placed on the outside of the locker. However, there are many “cool” magnets that students may use to decorate the inside door of the lockers. Please, no tape, no stickers, no writing on lockers. Inappropriate photos and other materials will be removed. There will not be room for any additional shelving inside the locker. Finally, no locks will be permitted on locker doors. Valuables may be kept in the office, if necessary. School lockers are the property St. Patrick School. Students DO NOT have a constitutional right to a private locker. Students should be aware that lockers may be searched randomly and periodically without regard to articulated suspicion or alleged infraction of school rules. School officials determine what action to take if inappropriate or illegal substances are found.

NO BULLYING POLICY a.k.a ST. PATRICK SCHOOL PEACEKEEPERS PROGRAM

In determining incidents of bullying, staff, students, and parents should refer to the following definition of bullying.

- Bullying is defined as an intentional electronic, written, verbal or physical act or series of acts directed at another student or students that is severe, persistent or pervasive and has the effect of doing any of the following:
 1. Substantial interference with a student’s education.
 2. Creation of a threatening environment.
 3. Substantial disruption of the orderly operation of the school. Such acts can take place either within a school setting and/or outside of school boundaries.

Bullying, as defined here, includes cyberbullying. School Setting, as defined here, means in the school, on school grounds, in school vehicles, at a designated bus stop or at

any activity sponsored, supervised or sanctioned by the school.

A person is being bullied when he/she is exposed repeatedly, and over time, to negative actions on the part of one or more other persons. Bullying happens when someone with more power unfairly hurts someone with less power over and over again. However, it is not bullying when someone is teased in a friendly manner. Additionally, it is not bullying when two students of approximately equal strength, ability, or advantage fight or argue. Such events are “classified” as misbehaviors, not bullying.

All incidents will be investigated and documented. All students involved will report to teacher and/or the office. Documentation will include date, description of incident, reaction, and consequences.

NO BULLYING POLICY

Consequences Students who violate this policy shall be subject to appropriate disciplinary action consistent with the student behavioral expectations (discipline code), which may include:

1. Counseling within the school
2. Parental conference
3. Loss of school privileges
4. Transfer to another classroom, bus, or school
5. Exclusion from school sponsored activities
6. Detention
7. Suspension
8. Expulsion
9. Counseling/Therapy outside of school
10. Referral to law enforcement officials

RELIGIOUS FUNCTIONS

All students, regardless of religious preference, will be instructed in and expected to participate in, the Roman Catholic faith, with the exception of reception of the sacraments. Religion classes are held daily. Mass is scheduled weekly, and family and friends are always welcome to join us in prayer.

SCHOOL MESSENGER

The St. Patrick School's outreach via telephone and text message is a service of School Messenger.. This program links with PowerSchool daily to keep information up to date. Parents are asked to keep the school current with their address, phone and/or cell phone, and email information. Parents will receive alerts in emergency situations, weather delays, and announcements/reminders via School Messenger.

SCHOOL SPIRIT

School spirit means loyalty to all functions of the school. As loyal Irish, we stand by Bishop Guilfoyle, St. Patrick School, and Holy Trinity Catholic School, do our best to keep scholastic, co-curricular, athletic, and moral standards at the highest level, and encourage all other students to do the same.

School Spirit includes:

Courtesy—toward teachers, staff, fellow students, competitors, fans, and officials at athletic and scholastic events.

Pride—in the school appearance and everything we endeavor to do.

Sportsmanship—the ability to gain victory and accept defeat with dignity and graciousness.

SERVICE

Service is part of living out the Baptismal call of Catholic Christians. All have been called to follow in the footsteps of Jesus Christ. Jesus reached out to people who needed His love and care, especially those who were poor, sick and unwanted. It is essential that St. Patrick students, staff, and families use their God-given gifts, talents, and interests to love others and help them in times of need.

Students at St. Patrick School learn from the earliest age that one is never too young to help make the world a better place. The importance of giving back is taught from preschool through eighth grade in the form of support for the school, church, community and world.

Our service program is part of the Religious Education curriculum, designed to help students develop a Christian social conscience. It is intended as a supplement to the classroom religious education. It is designed to give students a hands-on experience in understanding and responding to the needs of others.

- Service hours must be the result of students FREELY giving time and talent. Students may NOT accept money.
- Students must submit a completed and signed Service Hour form for each service performed.

- All service hour forms must be submitted prior to May 1st each school year. This will be part of students' final Religion grade. Failure to turn in forms will result in a zero and participation in extracurricular activities, field trips and 8th grade graduation may be withheld.

Service hour requirements as follows:

Kindergarten-1st grade	2 hours
Grades 2-4	6 hours
Grades 5-8	10 hours

STUDENT ACTIVITIES

Student activities include, but are not limited to: Forensics, Sports, Cheerleading, Band, , Spelling Bee, Newspaper, and Multi Media. New clubs and activities are always welcome.

Students who are involved in any school sanctioned activities must maintain passing grades in all classes or will be deemed ineligible until passing.

TUITION

Parents are required to sign a Tuition Agreement Form indicating their payment plan choice. Payments can be made in one, two, or nine payments. All payments can be made in the office by either check or cash. We do not accept credit cards. Tuition is due on the first day of each month. Payments received after the 15th of the month may be subject to a late fee.

Accounts 30 days past due can result in up to and including: assessed late fees, withholding student report cards or academic records, disallowing student's participation in school activities or school sanctioned sporting events, denial of participation in field trips, and refusal of participation in 8th grade graduation. The school reserves the right, at its sole discretion, to deny admission or dismiss from school any student whose tuition payments are not current.

In the event the student withdraws from the school, tuition will be pro-rated based on 180 student days. All balances owed to the school will then be due immediately. If there has been an overpayment, the amount of the overpayment will be refunded to the parent(s)/guardians(s) named below. Please note that any financial aid that has been awarded is non-refundable.

VISITORS

Visitors must check in at the school office upon entering the building. Friends of the students may not be brought to school without the prior permission of the principal.

Out of respect for the learning process, no one may proceed to a classroom without prior approval of the principal or office staff. Only authorized persons who have the permission from the office may meet with students once the children have reported to school.

Due to State and Diocesan guidelines, family members may not enter other areas of the school while in session including the cafeteria (lunch time) and playground (recess). Parents are encouraged to become lunch room volunteers by completing approved clearances and the Diocesan Youth Protection Program. Volunteers are required to report to the office to sign in.

St. Patrick School Memorandum of Understanding

As a parent/guardian of a student in St. Patrick School, I understand, affirm and support the following:

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teachings of the Catholic Church.
2. Catholic schools are distinctive religious education institutions operated as programs of the Catholic Church.
3. Attending Catholic school is a privilege, not a right.
4. While academic excellence is important, fidelity to the Catholic identity of the school is the fundamental priority.
5. The school and its administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school's life and activity.
6. In all questions involving faith, morals, faith teaching, and Church law, the final determination rests with the diocesan bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I accept this Memorandum of Understanding. I pledge support for the Catholic identity and mission of this school and by enrolling my child, I commit myself to uphold all the principles and policies that govern a Catholic school.

Volunteering one's service for the good of others (without compensation) is beneficial to our spiritual growth and the health of our community. Students should use this service to challenge themselves and to grow spiritually. Opportunities to serve can be close to home (ex. Babysitting for family/friends, weeding the garden, etc.) and not a chore/job that is already expected of students. Opportunities to serve can be found in/through the church. There are also organizations in the community that could use students' help. List each day and specific type of service along with the total hours worked. You must have a signature by the person who supervised the service performed.
